INFALLIBLE YEAST POWDERS.

Scientific men, who thoroughly understand the subject, concur with great unanimity in saying that nothing exerts such a deleterious influence against health as bad bread. The remedy is at hand in SIMPSON'S INFALLIBLE YEAST POWDERS, the value of which is thus certified:

RALEIGH, Aug. 24, 1866.

I have tested the Yeast Powders you manufacture and can recommend them as vastly superior to any other ever used by me. In addition to the lightness and sweetness of the bread, the powders are economical, as one-third the lard usually required will answer in the making of either loaf bread or biscuit. For pastries and cakes they are excellent.

VIRGINIA A. ORR.

The price of these powders per package is 25 cts. or 75 cts. per pound. To be had at Wm. Simpson's Confectionary Store, Fayetteville Street, Raleigh, N. C.

RALEIGH, Aug. 23, 1866.

This is to certify that I have used Mr. Simpson's Yeast Powders and find them to be superior to any I have ever used. After trying them once no housekeeper will be satisfied without them.

MRS. S. D. HARRISON.

VALUABLE PLANTATION FOR SALE!

ON THE SECOND THURSDAY IN DECEMBER, that being the 13th day of the month, I will sell to the highest bidder, upon the premises, that desirable

COTTON PLANTATION,

lately owned, and resided upon, by Miss Elizabeth Hinton, dec'd.

The tract is situated on Neuse River, six miles East of Raleigh, on the Tarboro' Road, adjoining the lands of David Hinton. It contains

ELEVEN HUNDRED AND NINETY-FIVE ACRES.

of land,—from THREE TO FOUR HUNDRED of which are cleared. About 100 acres are fine low grounds, not liable to over-flow. This is considered one of the best Cotton Plantations in the County, and the bottom land will always produce enough Corn to sustain it.

THE IMPROVEMENTS

consist of a handsome Dwelling House, containing seven rooms, located on a commanding site. There are three frame houses also on the premises, with two rooms each, and all necessary out-houses, cabins, barns, gin house, carriage house, &c.

As this land will be sold on the liberal credit of only one-third cash, the balance payable in one, two and three years, a rare opportunity is afforded to parties wishing to purchase a first-class farm.

Personal security will be required, and title will be with-held until the last payment is made.

NOTE.—This Land will be divided into three tracts, the House-tract 600 acres, another tract of 350 acres, and another of 245, plots of which may be seen at my office above Creech's Store.

S. L. TRIPPE, Sec'y.

Having been appointed agent for the above Company, I respectfully call the attention of the citizens of this section of North Carolina, to the fact that this is a Southern Company with an authorized Capital of $500,000. It's business is ably conducted, by influential, reliable and wealthy citizens of Tennessee.

It has the finest references, and has always been exceedingly prompt in its payments, as can be shown by its records, being sustained by wealthy gentlemen.

It takes both Life and Fire risks on terms as low as any Eastern Company.

This Company is just being introduced into its sister State and I hope it will be well patronized.

Let us support and encourage each other and keep all our money at home.

No one is obliged now-a-days to go North to get himself or his property insured, as he can be accommodated here by a company of greatest reliability.

THE SENTINEL.

WM. B. PELL, } Editors.
SEATON GALES. }

Wednesday Evening, Nov. 28, 1866.

Gov. Worth's Message.

This very practical and able State paper, as we expected, neither suits Mr. Holden, nor Mr. Greeley, nor Bennett, nor Raymond of the New York *Times*. They are hard to please, and we presume our honest Governor did not specially endeavor to meet their views. The *Standard* calls him "rebellious," and its Northern *confreres* scout the proposition to distribute the colored population of the South, among the Northern States. That unfortunate race having been suddenly emancipated, is it not humane to them to propose a better provision for them, than can possibly be made in the South, if all remain. Is it not just, that those who manumitted them, should bear an equal share at least of the burdens of pauperism and crime, resulting from it? Is it not statesmanlike to seek the quiet of the country by removing the causes of disturbance and at the same time to provide for the welfare of the whole population? No man in the land loves the constitutional government of the United States more than Gov. Worth.—None respect the flag or obey the laws and reverence the Constitution more. In comparison of loyalty and good Unionism, between him and Mr. Holden and his associates, they could not pass muster along side of Gov. Worth.—Rebellious indeed! Where is there a word like it, in the message or in his conduct?

The Election of U. S. Senator.

Both Houses succeeded, to day, in Convention, after four ballots, in electing a U. S. Senator, from the 4th of March next. That honor has fallen upon the Hon. Matthias E. Manly, of Craven. It is an honor merited by the ability and purity of the man, who both in private and public life, in sunshine or shade, has been the christian gentleman, the able and reliable lawyer, the upright judge, and the conscientious legislator and statesman.

Judge Manly has, throughout life, avoided all active participation in politics. He had been an unwavering Whig up to the dissolution of the party and the inauguration of the Know Nothings. He refused to co-operate with that organization, and subsequently voted with the Democratic party until the late war began.—Upon the inauguration of the war, he sustained the action of his native State, and until its termination. At its close he accepted the result, sincerely desiring to promote the quiet and restoration of the country. Those who know him, cannot doubt his loyalty to the Constitution and the Union, and his readiness to do all in his power to promote peace and harmony between all sections, that can be done, consistently with his conscientious regard to the honor of his people and section.

CORRECTION.—In the report of the ballottings for U. S. Senator on yesterday in the Senate, on the second ballot the types, made us say that "Messrs. Adams and Perry voted for Mr. Gilliam." It should have been, Messrs. Adams, of Guilford, and Berry, of Orange, voted for Hon. John A. Gilmer.

DESERVED COMPLIMENT.—The Raleigh correspondent of the Wilmington *Journal* pays the following deserved compliment to our excellent Public Treasurer, than whom we have no better officer. The correspondent of the *Journal* says:

So far as I have heard Mr. Treasurer Battle has no opposition to his re-election, and it would be as useless as it is unnecessary. The Treasury has never had a more indefatigable and zealous guardian. His report gives evidence of care and accuracy, and a familiarity with the great subjects of finance and taxes that denote study and ability.

For the Sentinel.

RALEIGH, Nov. 28th, 1866.

Messrs. Pell and Gales:—Dear Sirs—I avail myself of the medium of the *Sentinel* to correct an unintentional mistake, of your reporter, in reference to my remarks, made in the House of Commons yesterday, on the bill introduced by myself to repeal the Revenue law of the State. This bill provided that it was not to take effect and go into operation before the first of April, 1867, thereby giving the Sheriffs of the different counties, ample time to collect all the taxes due from the people at this time under the present Revenue law. I stated in my remarks that the passage of this bill presupposed the passage of a Revenue law that would raise revenue sufficient to pay the current expenses of the State and no more. Respectfully,

J. M. LONG.

Hon. John T. Jones, of Phillips county, Ark., has been elected U. S. Senator by the Legislature of Arkansas.

CROWDED.—We surrender our editorial space almost entirely, to other matters of more public interest.

BACK NUMBERS.—We are compelled to say to the numerous applicants for back numbers of the *Sentinel*, that we cannot supply them.—We endeavored to print off enough, but we have not been able to supply the demand.

SCOUNDRELISM.—Some contemptible creature who signed himself C. C. Cooley, from Hillsboro, sent us the list of marriages published in the *Sentinel* on yesterday, as having taken place at Hillsboro. A respectable gentleman of that place informs us, that the entire batch is totally false, nothing of the kind having taken place. If we could detect the scoundrel, we should press him to the extent of the law.

TENNESSEE.—The telegraphic dispatch published in some of the papers, stated that Judge Cooper, of Tennessee, had decided that the Legislature of that State is bogus, and the franchise law *constitutional*. It should be *un*-constitutional. The decision was given at Murfreesboro' in the case of Gilbert vs. Sherbrooke, commissioners of registration for Rutherford county, for refusing to issue voting certificates to the sheriff.

The Speaker of the Senate presiding, announced the object for which the Houses were met in joint Convention, and ordered that the journals of the two Houses be read in relation to the proceedings had on yesterday in the balloting for Senator.

For the Sentinel.

Greensboro' Female College.

The burning of this flourishing institution was a great public calamity. For many years of increasing usefulness, it had commanded the admiration and support, of the friends of literature and religion. It was an extraordinary success. It had passed securely the trials ordinarily incident to literary institutions of high pretensions; and, with more than self sustaining vitality, was still proudly rising and advancing in its beneficent career. How varied, extensive, beautiful and bountiful, were its blessings to society! Its numerous graduates and other pupils, from different States, went forth to the labor of life with principles, purposes and accomplishments which not only inspired cheering anticipations then, but present at this day highly estimable achievements in various departments of usefulness and honor. Among these, are a number of the daughters of the ministers of our Conference, who, through the aid of generous donors, enjoyed those valuable privileges which otherwise they could never have obtained.

But in the midst of its usefulness, the College building was consumed by an accidental fire.—The friends of Education and religion say, it must be rebuilt and that immediately.

Materials, to the value of fifteen or twenty thousand dollars, belonging to the N. C. Conference, are already on hand. These are of such kinds and in such condition that they will be very greatly damaged if not speedily used; and would not bring over one-third their real worth if sold for any other purpose. Shall we permit so much and so valuable property, to perish? Shall we be guilty of recklessly throwing away ten or fifteen thousand dollars belonging to the Conference? By every principle of economy, by the sacred responsibilities which devolve upon us, by the recollections of the past, the absorbing demands of the present, and the momentous interests of the future, we must answer, *No.* We must render this possession not only secure but eminently productive and profitable. We must educate our daughters for their own sakes—for the sake of the country and the Church.

It is highly gratifying to know that Greensboro' alone has already subscribed twenty thousand dollars. But we need thousands more. We need ready money now, that the building may be resumed.

The proposition is to build on the plan of a Joint Stock Company—one hundred dollars to the share—to be paid in semi-annual instalments—the first quarter at the end of six months—the second at the end of twelve &c. For a share, only $25 dollars in six months—only 100 dollars in two years! Each stockholder is required to sell to the Conference whenever it shall propose to purchase—the Conference on its part being bound to pay *par* value with legal interest.

The excellency of the scheme consists in this: It offers at once the opportunity of a noble *charity* and a secure *investment*.

With our purposes and prospects, and on such terms, we confidently appeal to—

THE PUBLIC

to contribute to our assistance. We respectfully urge all who can to promptly aid us. If you will take stock,—any number of shares,—write me, and I will either visit you or otherwise arrange. Especially do we desire you to send us money. Send it as stock for yourself, for your minister, or for the Conference.

CONGREGATIONS,

by raising collections, can easily procure one or more shares for their pastor or the Conference. Will they not do so promptly?

MINISTERS,

by presenting the subject, can collect considerable. They know that all they can get is needed, and that immediately. How many of them will take stock for the benefit of the Conference and raise the money from their charges? Their daughters will need it.

THE GRADUATES AND FORMER PUPILS OF THE COLLEGE

are appealed to in a spirit of sympathy and reliance. You, Ladies, still love your *Alma Mater*. She was worthy of your confidence and affection. You wept when she fell; her fall was a loss that was worthy of your tears. Many and precious are the memories that linger around the consecrated spot where she once stood.—And you cherish her still, and would rejoice exceedingly to behold her in her loveliness and excellence once more. Then come, with all your hallowed recollections of sweet departed days,—come with the spirit that moves the weeping daughter when she would plant flowers on her mother's grave,—come and help us, that we may breathe life into her ashes and awake her to beauty and blessing again!

Take your purse, and paper and pencil, and go out among your friends and get all that you can! Receive any amounts—all amounts even small amounts—and send to me by express, or get your minister to do so.

The graduates or former pupils who get as much as one hundred dollars in cash by the last of February, shall receive an appropriate memento of the gratitude of the friends of the College.

Send money by express to Durham's, N. C. R. R. In writing by mail, address me at Flat River, N. C.

THE SENTINEL.

Wednesday Evening, Nov. 28, 1866.

LOCAL DEPARTMENT.

AGRICULTURAL SOCIETY.—This Association held an interesting meeting in the Commons Hall last night. It was its fourteenth anniversary. Arrangements were made for the revival of the State Fairs and to promote the cause. The proceedings being quite long, we regret, we are compelled to defer them till next issue.

The Dental Association of North Carolina will convene in this city on the 5th. of Dec. next. All are invited. We have heretofore advertised this notice in our columns.

BASE BALL MATTERS.—The game between the Chapel Hill Club and the Poineer Club of this city, will take place to-morrow at 2 o'clock, P. M. in front of the residence of the late Mr. Boylan.

We learn that the "Tar Heel" Club has challenged the victorious party to a game on the next day Friday. We are requested to state, that Mr. George L. Tonnoffski will present *a large cake*, one of Simpson's best, to the nine contestants of the "Tar Heel" Club on the occasion.

WHO WOULD NOT BE AN EDITOR?—Being detained at our office daily and being prevented from going to our meals, we were *not shocked* on yesterday at the splendid dinner sent us by Mrs. Watson, proprietress of the Hutchings House. If she feeds in that way, her boarders may look out for *gout*. Roast pig and plumb pudding are good enough for an editor or a king.

CHAPLAINS.—In answer to the invitation of the Legislature, the Ministers of this City have arranged for opening the two branches with prayer, in the following order:

SENATE.

Monday	Rev.	Mr. Hudson.
Tuesday	"	Mr. Atkinson.
Wednesday	"	Dr. Skinner.
Thursday	"	Dr. Mason.
Friday	"	Mr. Hardie.
Saturday	"	Dr. Smedes.

Capt. JAMES M. GOODMAN, late Quartermaster in the Confederate service, at Salisbury, his friends will be glad to learn, are with Messrs. Lee Crandall & Co., Cotton Factors and General Commission Merchants, New Orleans, La.

MEDICATED SOAP.—We are indebted to Mrs. Patrick McGowan, near Kittrell's Springs, for a lot of her excellent Medicated Toilet Soap, made from the deposite of the celebrated Kittrell's Springs. She says it cures all eruptions of the skin, such as skin scrofula, ringworms, tetters, eresipelas, scurvy, &c. It is a good article.

MALAGA GRAPES.—The editors are constrained to accept a present of luscious Malaga grapes from our friend W. Robt. Andrews, just received at his wholesale and retail grocery. He will please accept the compliments of the editors.

ASHEVILLE NEWS FOR SALE.—The proprietor, Rev. Dr. Cummings, of Spartansburg, S. C., offers the entire office and good fame of the Asheville News for sale, including job type, &c. Enquiries should be directed to him at Spartansburg, S. C.

BISHOP HOPKINS ON BISHOP POLK.—At the recent installation of Dr. Joseph Wilmer as Bishop of Louisiana, Bishop Hopkins said:

Your predecessor, the late bishop of Louisiana, was a man of uncommon energy, elevation of character, nobility of soul. You are the successor of such a man; none who knew him, but admired and loved him. I was often connected with and met him frequently at one of the universities of his founding, (many of these will you meet with, that were of his erection,) and upon frequent occasions of Christian duties, and it is among the pleasant and sad recollections of the past. You will find in your path many mementoes of his zeal; monuments of his worth; it is indeed a high privilege to be his successor. We claim no perfection for bishops; he may have erred in his career, he may have made mistakes, but his soul of christianity and magnanimity, which his life exhibited, is a true prestige for you and God grant you all the faith and support to its proper ends. I hold it a great privilege to bestow the dignity of bishop upon you, and I do it in the fullest confidence that heaven has and will continue to give you strength, and direct your course, and in your zeal relieve your every Christian exertion for the well government of the church, and I call upon all to pray for you."

From the New York Herald, 20th.

Bennett's Plan for Restoring the Union.

We would accordingly submit to the Congress which is to re-assemble in Washington on the first Monday in December, a new constitutional amendment, or a modification of that before the States, so as to embrace, not the cheating proposition of impartial suffrage, but universal suffrage and a universal amnesty as the basis of Southern restoration. The universal suffrage we mean is the admission to the ballot-box of all males, of all races and colors, of twenty-one years of age, except criminals and lunatics and "Indians not taxed;" and the amnesty we mean is one which will reach from the rebel bushwhacker to Jeff Davis and his Cabinet, beginning with the release of Davis. We We would further propose the enforcement of this settlement upon the rebellious South as President Johnson enforced the amendment abolishing slavery. To this end, an act of Congress requiring the President to place an army of 100,000 or 150,000 men under General Grant for the purpose of hurrying up the good work in the exeluded States would be a good thing. Something of this sort is required to convince those States and their people that an unsuccessful rebellion brings its pains and penalties, and that it is the victor, and not the vanquished, that dictates the treaty of peace.

Farming Lands in Pitt County.

MESSRS. EDITORS:—I suppose it will not be denied that the lands of Pitt, Edgecombe and that part of Beaufort bordering on Pitt, are better adapted to the production of cotton than any other lands in the State of North Carolina. Having only a short time since been in this section of the State, I have thought that a short communication, relative to a few of the farms in Pitt, rented and cultivated by Northern men, would not be uninteresting. Several Northern men have rented farms in this county the present year, and considering the dry season, difficulty of getting seed, together with a want of experience, &c., they have all done well. Passing down from Tarboro' the first farms reached are the two farms of C. Perkins, Esq. These farms are on Tar river, twelve miles from Washington, and are cultivated by Col. Clapp. I am informed that he will make from 350 to 400 bales. At Pactolus (which is immediately between these farms,) there is a large store, mill and a good turpentine distillery. The mill and store pay handsomely. The distillery, I believe, has not been worked for some time; all belong to the farms. These are good farms.—Coming up on the other side of the river the first farms rented by Northern men are those of Mr. Satterthwaite and Mr. Laughinghouse. I do not recollect by whom they are rented.—About 200 bales will be made on these farms this year, which is a very good yield, being more than was made before the war on them. The next one is that of Gen. Bryan Grimes, which was cultivated this year by Major Smith. This is a very large and fine farm. The crop, this year, is estimated at from 500 to 600 bales. This farm has been rented the next year (1867) for $15,000 in U. S. currency.

The next farms are those of Mr. William Grimes which are classed as the best farms in the County. These farms are cultivated this year by Messrs. Whittlesey, James & Co., and the crop has been estimated at 800 bales. They are capable, I should say, with proper management, of producing twice that number. The tenants this year labored under many disadvantages. They had very inferior seed and were late in getting a stand, the land had not been cultivated for two or three years and was quite rough, and owing to these difficulties they got behind in their work, and were compelled to give up the cultivation of a large quantity of land which had been planted in cotton. These farms are just 12 miles from Washington, on Tar River, separated by the river with good wharves on each, and are immediately opposite each other. They contain about 3500 acres each, and from 1200 to 1500 acres of cleared land each. They have each all the necessary buildings, fine dwelling-houses &c., and upon one, (the Yankee Hall farm,) there is a very fine mill. The Avon I think is the most beautiful farm I ever saw. The dwelling is on a high point about 80 or 100 feet above the farm, and with a spy glass one could stand in the back porch and see the laborers working in almost any part of it. All the cleared land is open to the eye at one view. On this farm I am reliably informed that the year after Grimes planted cotton, he made 300 bales on 300 acres, and the same year he made on the Yankee Hall farm 300 bales on 400 hundred acres, making 600 bales on 700 acres, besides about 1500 or 2000 barrels of corn, and working on both farms only about seventy hands. These valuable farms are I understand for rent the next year, but I suppose they will not long be in the market, as their location and fertility offer such inducements to parties desiring to rent. This section of country I consider the best for the culture of cotton I have seen in the State, and persons wishing to secure good land, I would advise to visit this section before leasing or purchasing. I have written this hurriedly and if you see proper you can publish it.

OBSERVER.

Newbern, Nov. 18th. 1866.

IMPORTANT DECISION—DISCHARGE OF PRISONERS.—It will be recollected that some time ago four citizens of South Carolina were arrested, by command of Maj. General Sickles, and having been tried by a military court, under the orders of that officer, were sentenced to death. The sentence was commuted by the President to imprisonment for life, and the prisoners having been first dispatched to the Dry Tortugas, in order to evade a writ of habeas corpus, were eventually incarcerated in Fort Delaware. Here they were demanded by the civil authorities, under a writ of habeas corpus issued by Judge Hall, the District Judge of the United States for the district of Delaware. Judge Hall is a magistrate venerable alike by his years and by the dignity and firmness with which he has, through a long career, administered his office. The mandate of his court was obeyed; the prisoners were brought before him, and after a patient hearing of the case, they were discharged, on the express ground that "according to the law of the land the prisoners ought not to and cannot be held under the commuted sentence of this military commission, and that they be discharged."—*Baltimore Sun, 24th inst.*

We learn from the Columbia papers that the prisoners above alluded to, arrived in this city on Wednesday last, *en route* for their homes in Anderson District, S. C. Their names are Jas. Crawford Keys, Robert Keys, Elisha Byram, and Francis Gaines Stowers.

It will be remembered (says the Charleston *Courier*) that in October last year these gentlemen were arrested upon suspicion of being implicated in the murder of three Federal soldiers at Brown's Ferry, in Anderson District, and after a confinement of five months were brought to this city and placed upon trial by Military Commission. After a tedious and laborious investigation, the details of which were elaborately reported by the *Courier*, they were pronounced guilty and sentenced to be hung at Castle Pinkney, on Friday immediately subsequent to the publication of the findings of the Court.

The case excited the deepest commisseration of the large circle of the friends of the accused in this city, by whom, as well as by the public generally, they were believed to be innocent, and by the exercise of their untiring exertions, aided by the energies and ability of their distinguished counsel, General James Conner and Hon. Armistead Burt, who had conducted their defence, a reprieve was obtained. An effort was then made to have a hearing of the case before Judge Bryan, of the United States Court of this District, upon a writ of *Habeas Corpus*, with a view to their release, but it failed, on account of the refusal of General Sickles, in whose custody they were, to recognize the jurisdiction of the Court. Pending these proceedings the sentence was commuted by President Johnson to imprisonment for life, and they were removed to the Dry Tortugas. But a short time elapsed before the Executive clemency was again successfully invoked and the place of confinement was changed to Fort Delaware, from which they have just been released in the way already indicted."

Manufactures of the South are beginning to grow encouraging. One factory in Augusta has turned out during the past year 6,410,000 yards of cloth, and a profit of only two cents per yard would amount to about twenty five per cent. on the capital of the concern—$600,000. This proves that there is profit to be acquired in the manufacture of cotton where it is grown.

LONDON, Nov. 27.

The Fenian trouble in Canada has assumed considerable proportions, and there is no doubt that a serious outbreak has occurred. Two regiments of National troops were urgently ordered to Ireland yesterday evening and transports were being prepared all night at Portsmouth. A large detachment of marines were sent over to Queenstown on the war steamer Plymouth. A gunboat at Chatham has been ordered to sail for Queenstown immediately. Much alarm is felt at Cork and through Ireland generally.

Fenian Excitement.

NEW YORK, Nov. 28.

Late last night an extra appeared on the streets with exciting news from Ireland, [but the reporter does not say what the news was] producing intense excitement among the Irish. The Hotels and other places were filled with men enquiring after the news. The Fenians rusned to their circle meeting places. Telegrams were sent to circles in distant cities. Stephens the Head Centre was not to be found, and it is confidently believed he has reached Ireland. Great excitement prevailed in Brooklyn.

The morning papers contained the following special telegrams:

LONDON, Nov. 27.

The Fenian alarm is on the increase. Several ships of war have been ordered to Ireland.—The excitement in London is intense and approaches only in magnitute to the scenes on the occasion of the news of the outbreak in India.

The Impeachment of the President.

Some innocent patriots at Detroit, ichigan, who suppose there is something in the talk about impeachment, are circulating a long petition to Congress in favor of that measure, in which they embody General Butler's items of indictment against the President. To an influential Republican in Essex county, who remonstrated with Butler against making an attempt to impeach the President, the General replied: "You don't suppose me such a fool as to knock my head against a stone wall in that way, I hope." Butler talked impeachment because it was a good, stirring, easy subject, and he found that it took with the crowd. He knew very well that the whole thing would be forgotten before he should take his seat in Congress.—*Springfield (Mass.) Republican.*

THE FLORIDA BOUNDARY.—Governor Jenkins, of Georgia, communicated to the Legislature of that State, on the 18th instant, a special message on the subject of the Florida boundary. After reviewing the history of the attempts to settle the conflicting claims of the two States, he expresses the opinion that it is no longer an open question, and that, whatever interests or ties are involved in the controversy, Georgia is committed to what is known as the Orr and Whitner line. The Governor recommends that the General Assembly authorize him to issue a proclamation declaring that line the boundary. Both branches referred the message, and the documents accompanying it, to the Committee on the State of the Republic.

A New and Grand Epoch in Medicine!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggil's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is announced that **Maggiel's Billious, Dyspeptic and Diarrhoea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 11 Pine St., New York, and all Druggists, at 25 cts. per box.

OPINIONS OF THE PRESS.

The Louisville *Journal* says: "The testimonials which Dr. Gardner presents to the public could never have been obtained, except by the display of great skill and learning in his profession. One thing especially commendable in the Doctor's practice is, that he will not attempt an incurable disease for the sake of a fee, but frankly tells the patient whether he can be cured or not. We cheerfully recommend Dr. Gardner to the attention of all our friends who may be suffering from diseases of the eye or ear.

The Richmond *Times* says: We have no hesitation in saying that Dr. Gardner is the most scientific and successful eye and ear Surgeon in this country.

"Dr. Gardner's treatment of the eye and ear is wonderful."—*Richmond Enquirer.*

"We feel justified in recommending Doctor Gardner to those suffering from diseases of the eye and ear."—*Richmond Whig.*

"We can safely and cordially recommend Dr. Gardner, who will fulfill all he undertakes to perform."—*Baltimore Clipper.*

The New Orleans *True Delta* says: "We can safely recommend Dr. Gardner as a successful operator on the eye and ear. He will not undertake to treat a case unless a cure can be effected.

The Wheeling *Register* says: "Dr. Gardner is one of the most successful Oculists and Aurists in the country. We advise those suffering from the diseases of the eye and ear to consult him."

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too patent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our American Almanac in which they are given; with also full descriptions of the complaints they cure.

Those who require an *alterative medicine* to purify the blood will find AYER'S COMP. EXT. SARSAPARILLA the remedy to use. Try it once, and you will know its value.

Prepared by J. C. AYER & Co., Lowell, Mass., and sold by

Williams & Haywood, P. F. Pescud, Raleigh, N. C., and Dealers generally.

SOMETHING NEW

UNDER THE SUN.

A New Era In Medicine

☞ Let the Suffering and Diseased read the following.

☞ Let all who have been given up by Doctor and spoken of as incurable, read the following.

☞ Let all who can believe facts and can have faith in evidence, read the following:

Know all men by these presents, That on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-Six, personally came Joseph Haydock to me, known as such, and being duly sworn, deposed as follows: That he is the sole general agent for the United States, and dependencies thereof, for preparations or medicines known as MAGGIEL'S PILLS and SALVE, and that the following certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMEITER,
L. S. Notary Public,
Wall Street, New York.

June 1, 1866.

DR. MAGGIEL:—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhœa, and have been cured by Dr. Maggiel's Pills.

WILSON HARVEY,
New York, April 7, 1865. 27 Pitt Street.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to me by him about eight weeks after the accident.

New York, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal; I tried Maggiel's Salve, and it cured me in a few weeks. This is all true, and any body can now see me at Jackson's Iron Works, 2nd Avenue.

J. HARDY,
119 Geerick Street.

Extract from Various Letters:

"I had no appetite; Maggiel's Pills gave me a hearty one."

"Your Pills are marvelous."

"I send for another box, and keep them in the house."

"Dr. Maggiel has cured my headache that was chronic."

"I gave half of one of your pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now cured."

"Your box of Maggiel's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears and the noise left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your price is twenty-five cents, but the medicine to me is worth a dollar."

"Send me five boxes of your pills."

"Let me have three boxes of your Salve by return mail."

I have over 200 such Testimonials

As this, but want of space compels me to conclude

General Agent,

For the State of North Carolina, Petersburg, Va., and surrounding Counties.

IN addition to the loss and prompt payment of Justus Kinsey's policy for $5,000, is now added another loss, by the death of J. E. Weeks, of Elizabeth City, N. C. for $5,000, and again promptly settled by the Ætna.

By this practical illustration of the advantages of Life Insurance, it is commended to the confidence and support of every one desirous of providing for surviving loved ones.

As an investment merely, a Life Insurance Policy is as safe an investment of funds as can be made.—The principal, generally, is not only many times in excess of the amount paid, but in a sound company it has no rival for security, and no species of Government bonds are a more desirable investment.

W. H. CROW, Gen. Agent.
